You know you're supposed to "let go and let God," and you've tried. But what's taking so long? Why isn't God answering your prayers? No wonder you feel like taking matters into your own hands. In *I'm Waiting, God*, a four-week Bible study for women, Barb Roose invites us to explore the stories of women in the Bible who had to wait for God—women like Hannah, Ruth, Tamar, and the unnamed woman who suffered for over a decade with a painful medical condition. If you feel anxious, angry, discouraged or depressed because God isn't giving you what you want, their stories will breathe fresh hope into your life and offer you practical next steps in your time of waiting.
