*With more and more ways to communicate in a culture that encourages sharing the details of our lives, there exists greater and greater opportunity for disagreement. Our differences seem more pronounced. Our words sound more divisive. Even as Christians, we struggle to get along. The Apostle Paul wrote to the Christians living in Corinth about this very thing, encouraging them to not ridicule one another but to work together to show the love of Christ. In this six-week DVD study, you'll explore Paul's first letter to the Corinthians and discover how to live love even when you disagree.*
